*On behalf of our Municipal Council*

**WELCOME TO STRATFORD**

## Major Renovations in Progress

At the Council Meeting held on Thursday July 6, 2023 at the Public Safety Facility, the governing body took action to approve a new business license application for Auto Zone. Auto Zone will occupy the retail section of the former Pep Boys store located at 10 North White Horse Pike. Under their corporate agreement, Pep Boys will continue to operate the service center bays.

Mayor & Council are extremely pleased Auto Zone is investing in our community. All details regarding their Grand Opening should be available in the very near future.
