Mayor's Message

STRATFORD SCHOOL DISTRICT

WELCOME

FAREWELL

The Borough of Stratford would like to take a moment to extend our warmest appreciation and gratitude to retired Stratford School District Superintendent Thomas F. Attanasi who served our community for many years with honor and professionalism. "Mr. A", who's energy and passion for education will be greatly missed by the entire community. On behalf of the Municipal Council, we would like to wish Mr. Attanasi a long and healthy retirement, we are forever grateful to him for enriching our school district.

With the retirement of Mr. Attanasi, we would like to welcome our new School District Superintendent, Mrs. Renee Egan.

Stratford is very fortunate to have Mrs. Egan return to Stratford, the district where she began her career over 30 years ago. Mrs. Egan has decades of educational leadership experience, returning to Stratford after serving 17 years as the Principal of the Westville School District.

We are excited to have Mrs. Egan as our new superintendent and we look forward to all the valued expertise and educational prowess she brings to the district.
