Mayor's Message

In my first days as Stratford's 16th Mayor, I am most proud to introduce our newly appointed Councilwoman Ms. Dawn Martin. A 17-year resident of Stratford, Councilwoman Martin brings a wealth of experience to our team. Dawn proudly served the Stratford Board of Education for 7 years, the last 4 years as the board's vice president. Dawn has worked as an educator for nearly 30 years, she has so much to offer to the families of Stratford.

In 2024, Councilwoman Martin will serve as our Director of Public Events, and will serve as the Governing Body's Liaison to the Stratford Board of Education. With 2025 not so far away, together we will be busy planning for Stratford's Centennial year of incorporation.

On behalf of myself and Municipal Council, we wish everyone a healthy, happy and safe 2024.

With Pride,
Mayor Linda Hall
