MAYOR HALL'S HIGHLIGHTS

Members of Council and I had a meeting this week with the Vice President of Jefferson Hospital, Stratford. We are pleased to share that, contrary to recent rumors, the hospital remains committed to our community.

Jefferson is currently making improvements to the facility and has plans for additional upgrades in the future. These improvements reflect their continued investment in Stratford and their dedication to providing quality healthcare services to our residents.

Thank you to the Ravitz Family Shoprite for awarding the Stratford Fire Dept a grant for a new AED.

Thank you to our Stratford Fire Co. Cadets, Jake Orr and Nicholas Gismondi for their community involvement.

I would like to extend a warm welcome to the following companies who have recently chosen to make Stratford their home:

- **The Cohen Law Firm**
117 E. Laurel Road
- **Satnam Petroleum LLC**
T/A US Gas & Diesel & Mini-Mart
1 North White Horse Pike
- **Mavis Discount Tire**
401 South White Horse Pike

We are grateful for the continued investment in our community and wish these businesses great success in Stratford.
