MAYOR HALL'S HIGHLIGHTS

Honoring our Police Department

Congratulations to Detective Sergeant Farrell and Sergeant Butler on their well-deserved promotions! Your outstanding performance, unwavering dedication, and commitment to serving our borough have not gone unnoticed.

These promotions are a testament to your hard work, professionalism, and the positive impact you make in our community every day.

Thank you both for your continued service, and congratulations on this well-earned achievement! We wish you continued success in your new roles.

Street Sweeping Matters!

Sweeping isn't just about keeping our streets looking clean—it's about improving air quality, making our neighborhoods safer for pedestrians, and protecting our local waterways. Even when parked cars or other obstacles prevent curb-to-curb sweeping, our crews still remove the debris that matters most. This important work also helps keep Stratford in compliance with NJDEP requirements and is funded through a Clean Communities Grant, helping us keep our borough clean at no additional cost to taxpayers.

Please join us at our next council meeting on August 13th at 6:30pm on the first floor of the Justice Center.

Honoring our Fire Department

Congratulations to Firefighter Jake Orr on successfully completing the six-month Firefighter I & II Program at the Camden County Fire Academy!

This accomplishment reflects Jake's dedication, perseverance, and commitment to serving and protecting our community.

May your career in the fire service be safe, successful, and filled with opportunities to make a difference. Thank you for your commitment to the residents of our borough.

A Century of Life, A Centennial of Community!

Congratulations to Stratford resident Erika Zorn Rodriguez on the incredible milestone of celebrating 100 years! During Stratford's Centennial year, it is especially meaningful to honor someone whose remarkable life spans an entire century. Erika's story is a treasured part of our community's history, and we are proud to celebrate this extraordinary occasion alongside our borough's 100th anniversary. Wishing Erika continued health, happiness, and many cherished moments with family and friends.
