IMPORTANT PARKVIEW SCHOOL

DROP-OFF AND PICK-UP PROCEDURES

In cooperation with the Stratford School District, the Stratford Police Department would like to remind parents of a few traffic procedures to ensure the safety of the children in and around Parkview School.

IN THE AFTERNOONS, WHEN THE PARKING LOT IS AT CAPACITY

vehicle stacking / waiting for pick-up must be beyond 115 Parkview Road.

(See the below photographs for reference)

The signage (below) and traffic cones will be used to remind folks where to wait. A police officer may staff this position early on to educate new parents on the designated staging area for student pick-up.

A safety zone at the narrow portion of Parkview Road is necessary for school bus clearance, and to allow for special transport vehicles to arrive and depart.

In the afternoon, cars should not stack beyond the Parkview School driveway. Once traffic begins to move, pick-up traffic is set in perpetual motion.

OTHER REMINDERS

- ✓ **Blocking of driveways is discourteous and illegal.**
