the law, and enforce all Federal, State, Local Laws and Ordinances coming within the jurisdiction of the Police Department.

Section 5-5: *Duty responsibility.* Members shall at all times respond to the lawful order of a superior officer and other proper authorities, as well as calls for services from citizens. The administrative delegation of the enforcement of certain laws and ordinances to particular units of the Police Department does not relieve members of other units from the responsibility of taking prompt, effective police action within the scope of those laws and ordinances when the occasion so requires. Members assigned to special duties are not relieved from taking proper action outside the scope of their specialized assignment when necessary. All members and employees shall perform their duties as required or directed by law, Police Department Rule, Policy, or Order, or by the lawful order of a superior officer.

Section 5-6: *Insubordination.* Members and employees shall promptly obey any lawful order of a superior officer. This will include orders relayed from a superior officer by an officer of the same or lesser rank.

In the event of improper action or breach of discipline, it will be presumed that the member was familiar with the law, rule, or policy in question.

Section 5-9: *Obedience to Laws and Regulations.* Members and employees shall obey and observe all Federal and State Laws and Municipal Ordinances of any jurisdiction in which the member or employee is present. A conviction for the violation of any law shall be prima facie evidence of a violation of this section. However, conviction is not a prerequisite to administrative action under this section.

Section 5-10: *Reporting Violation of Laws, Ordinances, Rules, Orders.* Members and employees having knowledge of other members or employees violating laws, ordinances, or rules of the Police Department, or disobeying orders, shall report said violations to the Chief of Police.

Section 5-11: *Conduct Toward Superior Officers, Subordinate Officers, and Associates.*

Members and employees shall treat superior officers, subordinates and associates with respect. They shall be courteous and civil at all times in their associations with one another. When on-duty, particularly in the presence of other members, employees, or the public, officers shall be referred to or addressed by rank.

Section 5-12: *Criticism.* Members and employees shall not publicly criticize or ridicule the Police Department, its policies, or other members and employees by talking, writing, or expressing in any other manner, where such talking, writing, or other expression is defamatory, obscene, unlawful, or tends to impair the operation of the Police Department by interfering with its efficiency, interfering with the ability of supervisors to maintain discipline, or having been made with reckless disregard for truth or falsity.

Section 5-13: *Manner of Issuing Orders.* Orders from superiors to subordinates shall be in clear, understandable language, and issued in pursuit of bureau business.

Section 5-14: *Unlawful Orders.* Members and employees shall not obey any order which they know or should know would require them to commit any illegal act. If in doubt as to the legality of an order, the person to whom the order is directed shall request the issuing officer to clarify the order or to confer with higher authority.

Members and employees who are given an otherwise proper order which is in conflict with a previous order, rule, regulation, or directive shall respectfully inform the superior officer issuing the order of the conflict. If the superior officer issuing the order does not alter or retract the conflicting order, the order shall stand. Under these circumstances, the responsibility for the conflict shall be upon the superior officer. Officers shall obey the conflicting order and shall not be held responsible for disobedience of the order, rule, regulation, or directive that was previously issued.

Section 5-16: *Soliciting or Accepting Gifts, Loans, Fees, Rewards, Etc.* Members and employees shall not under any circumstances solicit or accept from any person, business or organization any gift, gratuity, loan, fee, tangible or intangible personal property, food, beverage, promise, service, entertainment, or any other thing of value, arising from, or offered because of membership or employment with the Police Department or any activity connected with said membership or employment, if it may reasonably be inferred that the person, business or organization:

Members and employees shall not lend to another person their Police Department Identification or permit them to be photographed or reproduced without the approval of the Chief of Police. Members and employees shall not undertake financial obligations which they know or should know they will be unable to meet, and shall pay all just debts when due. Nonpayment of debts that are in dispute between an employee and a creditor shall not be the subject of disciplinary action. An isolated instance of financial irresponsibility will not be grounds for disciplinary action except where specific reasons exist to question the propriety or legality of the financial obligation. However, repeated instances of financial difficulty may be cause for disciplinary action. Filing for a voluntary bankruptcy petition shall not, by itself, be cause for disciplinary action. Financial difficulties stemming from unforeseen medical expenses or personal disaster shall not be cause for disciplinary action, provided that a good faith effort to settle all counts is being undertaken. No member or employee shall borrow any money or otherwise become indebted to any other member or employee to the extent that such indebtedness interferes with the efficient operation of the Police Department or the job performance of either member or employee involved in the transaction.

Section 5.20: *Prohibited Activity on-duty*. Members and employees are prohibited from engaging in the following activities while on-duty: sleeping, loafing, recreational reading, conducting personal business, and consuming alcoholic beverages, possessing or using cannabis. (c) The purpose of this subsection is to provide all employees with notice of the provisions of the Borough of Stratford Drug Testing Program.

1. It is the policy of this department that the critical mission of law enforcement justifies maintenance of a drug-free work environment through the use of a reasonable drug testing program.

The law enforcement profession has several uniquely compelling interests that justify the use of employee drug testing. The public has a right to expect that those who are sworn to protect them are at all times both physically and mentally prepared to assume these duties. There is sufficient evidence to conclude that the use of controlled substances, and other forms of drug abuse, will seriously impair an employee's physical and mental health, and thus, their job performance.

Where law enforcement officers participate in illegal drug use and drug activity, the integrity of the law enforcement profession, and public confidence in it are destroyed. This confidence is further eroded by the potential for corruption created by drug use.

Therefore, in order to ensure the integrity of the department, and to preserve public trust and confidence in a fit and drug-free law enforcement profession, this department shall implement a drug testing program to detect prohibited drug use by all employees of the said department.

The drug testing policy and procedures are available and on file with the Borough Clerk/Administrator for review. Said Policy and Procedures can and will be updated from time to time by Mayor and Council.

Disciplinary Actions

Section 5.68: No member of the Police Department shall be removed from office, suspended, reduced in rank or subject to other penalty except for just cause, as hereinafter provided, and then only after hearing upon the charge or charges of the cause or charges of the complaint preferred against such member; which charge or charges shall be submitted, investigated, heard and disposed of in the following manner:

(a) All charges preferred against a member of the Police Department shall be in writing and signed by the persons making the same and shall be delivered to the Chief of Police, Appropriate authority or the Director of Police.

(b) The Director of Police may also prefer charges against members of the Police Department. These charges shall also be in writing.

(c) At the Annual Municipal Re-Organization Meeting, the Mayor shall appoint a Police Committee of three (3) Borough Council members, one (1) of whom shall be the Director thereof. All charges preferred, in accordance with this section, shall be referred to the Police Committee. Upon receiving such charges, said committee shall forthwith investigate the charges and if they shall find such charges to be true, by a majority vote, they may impose upon the offender punishment consisting of a warning, reprimand or suspension from duty without pay for a period not to exceed five (5) days. The Police Committee, at its discretion, may, upon investigation of the charges, refer the charges to the Mayor and the other members of the governing body of the Borough (who shall herein be known as the Police Disciplinary Board), even though the penalty may be a suspension of less than five (5) days.

(d) If the Police Committee, after investigation, determines that any charges are true and that severity of the offense warrants discipline by suspension in excess of five (5) days, the charges shall be referred to the Police Disciplinary Board for disposition. Said referral shall be made upon a written Complaint of the Police Committee, setting forth the charge or charges against such member or officer. The Complaint shall be filed in the Office of the Borough Clerk, with the Chief of Police and with the officer so charged. After receiving same, the Police Disciplinary Board shall schedule a hearing, not less than ten (10) days, nor more than thirty (30) days from the date of receipt of same by the Police Disciplinary Board. Reasonable postponements may be made upon consent of the Board and the officer. At the time and place fixed for such hearing, the Police Disciplinary Board shall receive evidence from the Police Committee or its designee to support the charges and shall afford to the accused an opportunity to be heard, to cross-examine witnesses who appear in support of the charges, to present evidence on his or her own behalf, to be represented by counsel and in general to permit the accused every opportunity to make his defense. Each member of the Police Disciplinary Board shall have one (1) vote. If upon conclusion of the hearing the Police Disciplinary Board shall determine, by a majority vote, that the charges have been established, it shall, in its discretion: (1) remove the offender as an officer; (2) reduce the offender in rank; (3) suspend the officer without pay for a designated time period; (4) invoke such other penalty that it may deem appropriate.

Any practice, process or administrative procedure that conflicts with this regulation shall preempt this regulation.

(f) Any complaint charging a violation of the internal rules and regulations shall be filed in the office of the body, officer or officers having charge of the department or force where the complaint is made no later than the forty-fifth (45th) day after the date on which the person filing the complaint obtains sufficient information to file the matter upon which the complaint is based. The forty-five-day time limit shall not apply if an investigation of a law enforcement officer for violation of the internal rules or regulations of the law enforcement unit is included directly or indirectly within a concurrent investigation of that officer for a violation of the criminal laws of this State. The forty-five-day limit shall begin on the day after the disposition of the criminal investigation.
