

Parks and Recreation

Heroic Gardens partnered with Stratford Parks and Recreation Committee once again and welcomed the 2023 volunteer season opener at Veterans Memorial Park, where we finished a beautiful bocce court, and cleaned up the park to prepare for Spring.

Veterans, John, Chris and Emily didn't let a little rain ruin the schedule!

Board member Violet enjoyed some hot chocolate with a new Volunteer, Declan!

(Thank you, Tim Horton's, for providing warm beverages for our volunteers)

Parks and Recreation

HG Advisory board member and Air Force Veteran, Tony Melle does it again. dream big and led the efforts of creating something that the Veteran and Stratford community can enjoy.

WANTED: FOR BEING '5'; ñ-B; ' < I A5 B"

A big thank you to VHR Rental for providing a dingo to make the job less backbreaking. Tony also built a free library out of an old cabinet Violet had hanging in her shed. He installed it and we added books for all to enjoy. A great addition to our very beautiful and peaceful park.

Parks and Recreation

Several members of the Balog family, including Board member Lisa, joined us for volunteer day and the kids were able to participate in a kids craft of making planters out of imperfect childrens' garden boots provided by Wester Chief.
