We believe we can achieve our highest potential by actively involving our employees in problem solving and improving police services. We support an organizational climate of mutual trust and respect.

### **Community Partnership**

Recognizing the fact that police agencies were established as a result of society's voluntary limitation of personal freedoms, we encourage and expect the participation of the community in facilitating solutions to problems of mutual concern. We therefore solicit and support contributions from all members of this community regardless of race, sex, national origin or social status.

### **Community Sensitive Policing**

Department members shall uphold laws in an ethical, impartial, courteous, and professional manner while respecting the rights and dignity of all persons. We shall strive to achieve a balance between enforcement and community needs which reflects both the spirit and the letter of the law.

### **Professionalism**

Recognizing the changing and diverse needs of the community, the Stratford Police Department promotes and encourages a policy of professional and individual excellence which is delivered and enhanced by continuing education and training.

# CROSSING GUARDS

Our crossing guards play a critical role to the Borough's public safety function. Each school day, **17** crossing guards hit the streets to perform the paramount task of ensuring our children have a safe passage to, and from school. These guards perform especially dangerous tasks under some of the worst atmospheric and driver created conditions. These men and women are serious about their work and are deserving of recognition.

## **Retirees and other Previous Employee**

Below are the most contemporary sworn officers we wish to remember, who all dedicated many years of their lives to Stratford. Their good work still has positive ramifications on the department and our town today. Moreover, since 2016, a cycle of retirements has ensued. Consequently, the department has lost over 175 years of experience in a short period of time. From a police management standpoint, the loss of veteran police officer is operationally challenging.

### **Injuries and Accidents**

Stratford Borough is self-insured for workers compensation claims. In order to ensure the proper level of police services for the citizens of Stratford, there has been a concerted effort by all police officers to reduce incidents of work place injury. Unfortunately, due to the inherently dangerous nature of the law enforcement profession, it often exposes police officers to hazardous situations that are beyond their control, therefore making the potential for injury extremely high. In 2022, there was one case of a work related injury where an officer was injured by an arrestee. There were exposures two exposures pathogens. Throughout 2022, our Police Officers were assaulted on eight (8) separate occasions. These felonious assaults on Law Enforcement Officers occurred while police were investigating the following types of incidents: *domestic disturbances, other disturbances, traffic stop*. The Stratford Police Department logged over 105,000 miles driven in department vehicles in 2022; resulting in three (5) traffic accidents, two involving parked vehicles.

# CRIMINAL ACTIVITY

## Reported Crimes

As can be seen by the figures below, the total police reports have increased from 2020 through 2022. The figures below include all reported criminal activity, and instances where officers filed a police report, excluding traffic crashes and summonses.

	2020	2021	2022
Total Criminal Offenses	877	1019	1266

## Arrests

The figures listed below reflect the number of “individuals” arrested for the previous three years. It should be noted that most times, multiple charges are filed against a single “individual.” The arrests figures listed below reflect the number of persons (Adults / Juveniles) physically arrested by Stratford Police Officers. In approximately 120 additional cases, criminal charges have been filed against suspects, but they have not been yet arrested or were arrested by other law enforcement agencies at the request of the Stratford Police Department.

	2020	2021	2022
Arrests	259	301	283

## Drug Offenses

Because drug related crimes remain a high priority to law enforcement, the Stratford Police Department is continuing in its proactive enforcement efforts concerning drug use and distribution. Since the Overdose Prevention Act was enacted, many more drug offenses have been recorded. But according to the Overdose Prevention Act, police officers are powerless to arrest or charge certain drug offenders under some circumstances. In 2021, changes in legislation resulted in the legalization of cannabis (marijuana) and for the most part, it is not illegal to possess, or use cannabis.

## Uniform Crime Reports (UCR)

The Uniform Crime Reporting Program is a nationwide, cooperative statistical effort of more than 17,000 cities, county and State law enforcement agencies reporting data on crimes brought to their attention. It was established in 1930 to gauge the state of crime in the nation. There are eight (8) main offense classifications, known as Part I Crimes, used as part of the Uniform Crime Reporting Program. The eight (8) crime classifications are divided into two categories; Violent Crimes and Property Crimes. The offenses, which constitute the Violent Crime category, include Murder and Non-Negligent Manslaughter; Forcible Rape; Robbery; and Aggravated Assault. The offenses, which constitute the Property Crime category, include Burglary; Theft; Motor Vehicle Theft; and

Arson. Below is a chart highlighting the eight (7) identified crime classifications and the respective number of offenses for Stratford Borough for the last seven (7) years.

### Domestic Violence

Acts of Domestic Violence are crimes the entire world must face and Stratford Borough is no way exempt. Domestic Violence consists of a host of crimes committed by family members, which is extended to any two people who have ever resided together. Domestic violence also governs those who have engaged in a dating relationship. Across the country, a large percentage of law enforcement officers who have been killed in the line of duty have resulted from responses to domestic violence incidents. By standard operating procedure, at least two police officers must respond to domestic disturbance calls. This is particularly challenging to the Stratford Police Department because there are hours which only one police officer is on duty. It is during these

times that we must rely on mutual aid from neighboring police departments. In order to effectively deploy manpower resources when they are most needed, the administration of the Stratford Police Department has identified below, when most acts of Domestic Violence occur within our jurisdiction. It comes as no surprise that reported acts of Domestic Violence still mirror those days when most drunk drivers are arrested. Once again, over 45% of Domestic Violence acts during 2022 involved alcohol consumption or drug use on behalf of the actor, victim or both. These statistics stayed static from the prior years. In 2022, over 220 hours were spent resolving these disputes by either arrest, emergency restraining orders, court appearances or mutual separations. Virtual crimes have increased in recent years. Cyber harassment, stalking and intimidation crimes have become very common forms of domestic violence.

## CRIMINAL FILINGS

Between **July 1, 2021 and June 30, 2022**, **988** Criminal charges were filed in the Borough of Stratford. On average, **2.70** criminal charges per day were investigated, prepared or signed by the Stratford Police Department, and passed onto to the Records and Municipal Court staff for processing. Once filed, criminal charges may be sent to State Court or may be returned to the municipal court for disposition. For this same time period, a total of 6151 court cases were filed by the Stratford Police Department.

# PATROL

Patrol is the largest Division and core law enforcement function of the Stratford Police Department. Its primary responsibility is responding to calls for service from the community. These calls can range from neighborhood disputes, domestic violence incidents, traffic accidents, burglaries in progress, robberies and sudden death investigations.

As the first responder to criminal complaints, patrol officers are responsible for seeing to the medical needs of anyone involved, interviewing witnesses, recognizing and preserving evidence, determining whether, in fact, a crime has occurred, and identifying and ultimately arresting those responsible.

Officers in the Patrol Division are also expected to provide proactive services such as traffic enforcement, crime detection and suppression, and initiating contacts with community members to our commitment to Community Oriented Policing. We are even called upon to unclog toilets, discipline children, unlock car doors, and change flat tires. While these tasks are not usual police functions, these represent some of the needs of our vulnerable population and our officers our proud to serve the needs of our residents.

Officers assigned to the Patrol Division are divided into two (2) Teams. Both teams are responsible for 24-hour patrol coverage, seven days a week, 365 days a year. Sergeant Vincent Jess and Corporal Caleb Speer supervise the A-Team. Sergeant Steven Schmidt supervises the B-Team. Sergeant Frank Gagliardi is assigned to the Detective Bureau; Lieutenant John Beasley is the Day Watch Commander and Police Officer in Charge. The officers assigned in the patrol division work 10 hour workdays.

## **Community Oriented Policing Programs & Strategies**

In the mid 1990's under the leadership of Chief James McBride, the Stratford Borough Police Department identified a need to implement community-oriented / problem solving strategies to assist in more effectively addressing citizen concerns about crime, safety and quality of life issues. While still embracing traditional policing practices such as random patrol and rapid response to calls for service, the department recognizes that there must be a collaborative problem solving approach between the police and the community in problem identification, prioritization and resolution of community concerns. More recently, these strategies have been greatly enhanced by our current police department leadership. Our more recent goals are to reduce crime and increase the quality of life by seeking citizen involvement, cooperation and support. One of the most important aspects of this philosophy is to identify and solve community problems rather than simply treating the symptoms. Operationally, we seek to implement our strategy and accomplish our goals through various programs including but not limited to:

- Attendance at Community Meetings
- Child Seat installation & Safety
- School Safety Programs
- Drunk and Drugged Driving Education
- Pre-K thru 12 Educational Programs
- PTA / PTO Participation
- Youth Sports Participation
- Child Identification Programs
- Officer Phil Program
- Red Ribbon Program
- Drunk Driving Enforcement
- Drug Enforcement Operations
- Code Enforcement
- Targeted Traffic Enforcement
- Volunteer Fingerprint Programs
- Crime Prevention Programs
- Town Watch Program (as needed)
- Bicycle Patrol
- Traffic Studies

## **Field Training**

All police officers hired by the Stratford Borough Police Department must attend a state certified police academy. Upon graduation from the academy, all officers return to the department and are required to successfully complete a Field Training Program (FTO). The FTO program is an additional 2 months of supervised, intense training and evaluation in which the probationary officer is partnered with an experienced officer who has been carefully selected and trained as a Field Training Officer. It is the goal of the FTO Program to prepare and develop Probationary Officers to act efficiently, effectively and safely in a solo patrol capacity, which is an absolute essential function of the Stratford Police Department. Because there are many instances where an officer is unassisted during a patrol function, each and every member of the police department must have the knowledge, skills and abilities to properly handle any situation that may arise. To fill those voids, supervisors and detectives are on call to respond to or communicate with the duty police officer handling an incident or crisis. These detectives and supervisors perform this function without additional compensation 24 hours a day, 365 days per year. Patrolman Tim Butler, Corporal Caleb Speer and Sergeant Steven Schmidt, are designated as Field Training Officers.

# DETECTIVE BUREAU

The Detective Bureau is charged with the responsibility to review all Police Investigation Reports and intelligence sources in order to prioritize and investigate criminal activity. The Detective Bureau also serves as the Stratford Police Department’s Counter-Terrorism, Narcotics, Megan’s, Firearms and Intelligence Liaisons’ and they meet regularly with other local, state and federal authorities in these regards. Additionally, members of the Detective Bureau instruct DARE Classes, Investigate Firearms Applicants, Investigate Business Licenses Applicants, secure and process all department evidence, and other property. The Detective Bureau is also responsible for providing for 24 hour a day, 365 days per year “on call” coverage. Detectives frequently are called during off hours to investigate serious active or recent crimes. The Detective Bureau works closely with the Camden County Prosecutors Office, and is reportable to that agency regarding all indictable crimes and investigations.

The Detective Bureau is staffed by three police officers who have undergone weeks of specialized training in their function.

Detective – Frank Gagliardi	22 years experience
Detective Thomas Farrell	20 years experience
Detective Andrew Rebecca	18 years experience

## **Property Stolen and Recovered**

Property offenses include Burglary, Theft, Criminal Mischief and Shoplifting. The exact amount of value in theft related offenses is difficult to determine as officers and victims usually estimate the value of property stolen and recovered. The chart below reflects the estimated value of property stolen and recovered for the previous eleven (11) years. With the Borough of Stratford hosting three financial institutions and one check-cashing agency, the dollars lost to theft and fraud can be significant.

2. In December of 2021, Detectives responded to an Attempted Burglary at the Desi Auto Care. While investigating this Burglary, officers observed that the Monroe Muffler was also burglarized. Initial investigation yielded that the suspect utilized a metal pipe to break the front door to the Monroe Muffler where he unlawfully enters the building and removed \$100.00 in US Currency. The suspect then proceeds to the Desi Auto Care and attempts to break the front door but was unsuccessful. Video surveillance footage was obtained and the suspect was identified. The male was charged accordingly and was apprehended months later by the Camden County Sheriff's Department.
3. In January of 2022, Detectives responded to the Dollar General for a report of a physical altercation between two males and a one year old child. Investigation revealed that the suspect and his one year old child were shopping in the Dollar General. The suspect, who was highly intoxicated, fell numerous times in the store and once on his child. The suspect then attempted to cross the White Horse Pike where he was confronted by a concerned citizen. An altercation took place thus causing the suspect to grab his child and run across the White Horse Pike in traffic. The suspect and his child were nearly struck multiple times by the passing vehicles. The suspect and child fell to the ground in the roadway thus causing multiple injuries to the child. Ultimately, the suspect was placed under arrest, charged accordingly and remanded to the Camden County Jail.
4. In March of 2022, Detectives assisted Patrol Officers for a report of a juvenile female who was injured after a dog collar was placed around her neck. Initial investigation revealed that the juvenile victim's sister had placed the dog collar around her neck and repeatedly shocked her thus causing two round burn marks on her throat. Further investigation yielded that the juvenile victim was subjected to cruel and

unusual punishment by her mother and two sisters for a long period of time. All suspects in this matter were apprehended, charged accordingly and remanded to the Camden County Jail.

5. In August of 2022, Detectives assisted Patrol Officers with a report of a stolen motor vehicle. Initial investigation revealed that three suspects entered an unlocked, running motor vehicle, which was parked at the Stratford Laundromat. As the vehicle fled the parking lot, a uniformed Stratford Police officer observed the vehicle and defendants as they fled on the White Horse Pike. The vehicle was located approximately six days later unoccupied in another jurisdiction. The juvenile male suspect (driver) was positively identified, charged accordingly and remanded to the Juvenile Detention Center.
6. In September of 2022, Detectives responded to a shooting at the Stratford Court Apartments. Initial investigation revealed that a uniformed officer patrolling in the area heard two gunshots in the vicinity of the Stratford Court Apartments. The officer observed that a motor vehicle was struck by the gunfire and no suspects or victims were in the area. Detectives located two-shell casing from the roadway and a bullet specimen that was lodged in a retaining wall next to the vehicle. The specimen was removed and sent to the New Jersey State Police Ballistics Lab and entered in the National Integrated Ballistics Information Network (NIBIN). Detectives located video surveillance footage of the male suspect from multiple businesses on the White Horse Pike. In October of 2022, Detectives were contacted by the Philadelphia Police Department's Homicide Unit in regards to a ballistics match. Detectives learned that the male suspect in this matter was apprehended by Septa Police and was found to be in possession of a handgun and ammunition. The firearm was tested and the results were sent to NIBIN which resulted in a match. This male was a suspect in a Homicide in Philadelphia where he ultimately confessed to the crime. Charges in this incident are pending at this time.
7. In October of 2022, Detectives assisted Patrol Officers at AVIS Rental after two males were observed unlawfully removing catalytic converters from vehicles parked in the parking lot. Upon apprehension, the suspects' vehicle was impounded and a search warrant was applied for by Detectives. A search of the vehicle yielded items taken from the theft along with burglary tools, narcotics and ammunition. The suspects were charged accordingly and remanded to the Camden County Jail.

The suspect in this matter broke a window and unlawfully entered the business. The suspect sustained a laceration to his hand, thus leaving blood evidence on the scene. The suspect then attempted to steal a BMW, which was parked inside of the business, by driving it numerous times into the bay doors. The suspect's actions caused over \$10,000 to the business. After his unsuccessful attempts, the suspect stole two laptops and fled the business. Detective's interviewed the suspect from the Tomkinson's Towing Burglary and observed a laceration to the suspect's pinky finger. - Screening walk-in complaints
- Compile monthly statistics
- Municipal Court case preparation

The chart below highlights a small percentage of the work processed by the Records personnel in 2022. The records division is responsible for creating and maintaining over 20,000, records annually. The records clerks process each and every case, accident, summonses and documents which are ultimately passed on to the municipal court office that is staffed by two full time and one part time employee. In accordance with Stratford's paperwork reduction philosophy, during the month of October 2012, our records room began making motor vehicle crash reports available online. This initiative has found to be convenient for the public and efficient for the police department. There are no associated costs to the borough for this service. In late 2014, the Stratford Police Department entered into a shared service agreement with Bellmawr Borough where as Stratford purchased a State of the Art Records Management System (RMS) Effective January 2015 Stratford and now all other law enforcement agencies in Camden County will have the benefit of instantly sharing crime data, including arrests and investigation. Much of costs associated with the purchase of the RMS system was paid for with grants, forfeiture funds and sources.

## COMMUNICATIONS

The Stratford Borough Police Department does not directly employ police dispatchers or communications officers. Our primary communications function is provided to Stratford by the Camden County Police Communications Center, which is located in Lindenwold NJ. The Communications Center is staffed 24 hours a day, 365 days a year. Despite all appearances, when calling 911, the process of dispatching a police officer is nearly immediately underway. Officers of the Stratford Police Department respond to most emergency and non-emergency calls within 120 seconds of receipt from the Communications Center. 95% of Camden County municipalities utilize the Camden County Communications Centers with the exception of four larger townships who are Gloucester Township, and Cherry Hill Township. However, during business hours, our Records Clerks will receive, screen and dispatch 10 to 50 emergency and non-emergency calls for service per week. These calls are handled by the Stratford Police Department when a reporting person dials the police administration building directly instead of the non-emergency line or 911. Because the offices are closed 16 hours a day, and all weekend long, the Stratford Police Department discourages the public from calling the administrative offices to report crimes in progress.

### Calls for Service

Calls for service are operational incidents that the police department can track and monitor. These include 911 calls, emergency and non-emergency requests for service, and “on-sight” criminal/public service activity by officers. The chart directly below reflects the number of calls for service handled by the Stratford Police Department for the previous five (5) years. As previously stated the vast majority of calls for police service are channeled through the Camden County Communications Center.

# STRATFORD OFFICE OF EMERGENCY MANAGEMENT (OEM)

The Stratford Office of Emergency Management (OEM) was first enacted in the 1950's during World War II and the Korean Conflict as what was commonly called Civil Defense Department. It progressed through the war eras until the late 70's early 80's when the name changed to the Office of Emergency Management and came under the direction of the New Jersey State Police.

Over the decades, the department has gone from a single filing cabinet in the basement of the Borough Hall, later to a shared desk, and now in 2022 to a 24/7 fully functional Emergency Operations Center (EOC) located in the Stratford Public Safety Facility @ 315 Union Avenue.

The recent move from the basement of Borough Hall was made due to the need for technology access, and the convenience of directly coordinating our efforts with the Stratford Police Department.

In addition, an emergency generator energizes the Public Safety Facility during times of power outages.

The Stratford Office of Emergency Management is a volunteer department of the Stratford Municipal Government, staffed by a Coordinator / Director of Emergency Management and Deputy Coordinators.

## Overtime

For the calendar year of 2022, officers of the Stratford Police Department worked approximately 700 hours of locally budgeted hours of overtime and or compensatory time. The Police Department budgeted overtime is utilized and necessary for the patrol division and detective bureau for purposes such as attendance in court, the replacement of personnel out sick, injured or on other approved leave such as attendance at mandatory or other training, completion of assignments, the investigation of serious offenses, or to work a special assignments such as parades, and other public events. In years past, severe weather events have seriously taxed the overtime budget; however, the police administration remains committed to ensuring police personnel are deployed where and when our citizens need them. For accountability purposes, overtime must be approved by a Sergeant or department head. For accounting purposes, the Chief Financial Officer logs a running tally of overtime used. Categories for overtime are as follows:

**Extended Tour** - time worked in addition to and consecutive with one's regular 10 hour work day (examples include time at the end of a tour of duty to complete an arrest, assignment or reports).

**Extra Tour** - time worked in addition to one's regular workday (examples include replacing an officer on sick leave or a Detective called in to work on a serious case).

**Court** - To provide testimony in municipal, state or federal court (examples include mandatory court appearance, which does not coincide with an officer's regularly scheduled workday).

**Training** - attendance at in-service training courses not available during workdays or contractual uncompensated days (examples include CPR / AED Training, Alcotest Certification, Search & Seizure Updates and Criminal Law Refresher). Very limited overtime for training has been expended in the past 4 years.

**Crash Investigation Team** - assistance provided to the Camden County Prosecutors Office investigating fatal accidents county wide. The Camden County Prosecutors Office reimburses the Stratford Police Department when our trained officer is used out of Stratford Borough on assignment.

**DDEF - Drunk Driving Enforcement Fund:** a state funded grant utilized to place additional police officers on the road to target drunk drivers (examples include extra patrols on holidays, weekends and nights when instances of drunk driving are inherently increased).

**Other Grant Overtime** – Overtime used for extra patrols for seatbelt and speed reduction campaigns. Overtime in this category is generally reimbursed through state and federal grants.

**Other Overtime** – Overtime expended through the Borough paid for by private vendors (traffic construction) Other overtime is spent on school events, carnivals, public events, other traffic control, security posts, and security details as required.

**Compensatory Time-Hours:** Compensatory hours are actually overtime hours worked in which the police officers elects to bank hours which can be later used as time off. Compensatory hours per Federal Law can be accrued up to 480 hours.

### **Internal Affairs & Professional Standards**

The Stratford Borough Police Department is committed to providing law enforcement services that are fair, effective, and impartially applied. Toward that end, officers are held to the highest standards of official conduct and are expected to respect the rights of all citizens. Officers' adherence to these standards, motivated by a moral and professional obligation to perform their job to the best of their ability, is the ultimate objective of this agency. The effectiveness of a law enforcement agency is dependent upon public approval and acceptance of police authority. The department must be

responsive to the community by providing formal procedures for the processing of complaints from the public regarding individual officer performance.

The purpose of the Department's Internal Affairs Policy is to improve the quality of law enforcement services. Citizen confidence in the integrity of the police department increases through the establishment of meaningful and effective complaint procedures. This confidence engenders community support for the police department. Improving the relationship between the police and the citizens they serve facilitates cooperation vital to the department's ability to achieve its goals. An effective disciplinary framework also permits police officials to monitor compliance with department policies and procedures. Adherence to established policies and procedures assists officers in meeting department objectives while a monitoring system permits managers to identify problem areas requiring increased training or direction. Finally, the Internal Affairs Policy ensures fairness and due process protection to citizens and officers alike. The internal affairs process is also used to identify and correct unclear or inappropriate agency procedures. In addition, it will highlight organizational conditions that may contribute to any misconduct, such as poor recruitment and selection procedures or inadequate training and supervision of police officers.

In 2022, there were 19 Internal Affairs Investigations. The categories of these investigations included rule violations and demeanor. There were one complaint regarding Use of Force, where an arrestee complained the handcuffs were too tight.

As per the protocol established by the Camden County Prosecutors Office, the Internal Affairs function conducted random drug testing of 20% of the police department. All random drug tests of police officers were negative.

## **ADMINISTRATION**

### **Police Policy Manual**

By law and Attorney General Guidelines, every police department shall adopt certain policies, which govern how law enforcement operations are carried out. Although the mandatory policies are few, the Chief of Police believes that policies are a critical element of an effective law enforcement agency. Since 2002, the Chief of Police has developed a comprehensive policy manual, which consists of, the below chapters:

During 2008, the Stratford Police Department stopped issuing paper policies. Each officer has been issued a password protected thumb drive and all departmental policies and directives have been converted to PDF format. This initiative has resulted in a cost savings while making the comprehensive patrol guides available to the officer while in the field / patrol vehicles. During the year 2022, the police department issued 19 Special Order or Personnel Orders to issue guidance and direction for our officers to navigate the COVID-19 global pandemic and other evolving situations

### **Law Enforcement Grants**

Because of local fiscal restraints, the Stratford Police Department relies heavily upon State and Federal Grants to continue to function at a high level. In addition, because the effective delivery of law enforcement services depends greatly upon training, equipment and effective use of manpower, the Stratford Police Departments literally operates on a shoestring budget supplemented by grant funds. The following is a partial list of grants applied for, and received by the Stratford Police Department during the year of 2022:

- |                              |             |
|------------------------------|-------------|
| 1. DWI Enforcement Patrols   | \$14,000.00 |
| 2. State Bullet Proof Vests  | \$2200.00   |
| 3. NJ Safe & Secure Manpower | \$16,00.00  |
| 4. DWI Check Point           | \$2800.00   |
| 5. County DWI Task Force     | \$36,000.00 |

6. Other Traffic Enforcement Grants \$21,000.00

Since 2002, the Stratford Police Department estimates having received well over one million dollars in grant awards, which include manpower hours, law enforcement training and equipment.

### **Staffing & Patrol Analysis**

In these days of rising costs, and a shrinking tax base, staffing of all municipal departments legitimately comes into question. Without question, every municipal employee inclusive of elected officials have a duty to ensure that our taxpayers receive the most effective and efficient delivery of municipal services.

To achieve this mission, the administration of the Stratford Police Department strives to deploy our police officers when and where they are needed most by our citizens. To ensure public safety, the department has elected to employ Temporary & Special Police Officers. These officers currently are not fully trained police officers however they are trained as Special Class Two Police Officers. These officers are hourly employees who are called upon to assist our regular police officers. Special Police Officers are a “special class” of law enforcement officers who are restricted in a variety of ways. However, they clearly serve the needs of our community while defraying overtime costs. Currently the Stratford Police Department employee’s fifteen (15) full time regular police officers and (1) part time officer and two (2) recruits attending the police academy. In addition, the Stratford Police Department employees two School Resource Officers assigned to the public schools.

Statically, the Borough of Stratford enjoys the protection of 2.1 Police Officers, per one thousand residents. The County average in this regard is 2.5 Police Officers, per one thousand residents and the New Jersey State average is 2.3 Police Officers per one thousand residents. Although we may be significantly below the state and county averages regarding the number of police officers we employ, the administration of the Stratford Police Department is confident that our manpower is deployed in an effective and efficient manner, which is continuously analyzed. Should crime or population meaningfully increase, the need for additional police officers may become necessary. However as stated, our manpower and workload is carefully monitored to ensure the safety of our citizens. Consequently, the administration of the police department remains confident that the borough’s public safety obligations are met, and yet fairly balanced against the financial or tax implications to our citizens.

## Patrol Vehicle Replacement Program

As a matter of business, the borough of Stratford strives to replace one patrol car on even years and two on odd years. In doing so, administrators and the designated motor pool officer carefully evaluate the use, mileage, condition of each police vehicle. Generally, the Stratford Police Department will de-commission a patrol car after approximately 10 years of service. Although these decade old cars give a nice appearance, wear, tear, mileage and hard driving clearly takes its toll on these cars. For the safety of the police officers and the public, generally police cars are decommissioned after a decade. Given the very nature of their use, the mileage, and existence of 50 speed bumps, it is remarkable that the patrol cars receive 10 years longevity. Currently our patrol fleet consists of the following patrol vehicles:

<b>Unit #</b>	<b>Year</b>	<b>Make / Model</b>	<b>Mileage</b>
<b>32-1</b>	<b>2014</b>	<b>Ford Explorer</b>	<b>110,393</b>

**\$55,000.00 IN NEW JERSEY GRANT FUNDS RECEIVED TO OUTFIT AND IMPLEMENT A BODY WORN CAMERA PROGRAM FOR ALL POLICE OFFICERS**

**PUBLIC NOTICE  
THE STRATFORD POLICE DEPARTMENT TO BEGIN USING BODY WORN CAMERAS (BWC'S)**

**Using Grant funds from the State of New Jersey, supplemented by the Borough of Stratford, the Stratford Police Department will begin implementing the use of Axon Body Worn Cameras (BWC's) around June 2021. The police department and borough officials believe that the use of body worn cameras will provide an additional level of safety and security for the public and to our police officers.**

**The use of Body Worn Cameras will also result in the following benefits:**

- **Document objective evidence of what took place during a police-citizen encounter.**
- **Discourage all parties from engaging in inappropriate conduct.**
- **Discourage anyone from offering false information.**
- **Clearly document the discovery and recovery of all forms of evidence.**
- **Capturing the physical appearance, language and acts of suspects.**
- **Documenting witness and suspect statements on scene, as events unfold.**
- **Use of Body Worn Cameras will supplement traditional police reports.**

**The use of Body Worn Cameras is regulated by guidelines of the New Jersey Attorney General, State Statute and Stratford Police Department Policies. Laws regarding public access and release of these records are governed by the NJ Open Public Records Act (OPRA)**

## Miscellaneous Year 13 Special Initiative Camden County Regional DWI Task Force

During the summer of 2009, the Stratford Police Department made application to the New Jersey Office of Highway Traffic Safety to receive federal funding for drunk driving enforcement. Consequently, five municipal police departments along the White Horse Pike corridor joined forces to develop the Camden County Drunk Driving Task Force. As of December 31, 2022, our Task Force has removed over 2888 drunk drivers from our neighborhoods. Remarkably, the Officers of the Stratford Police Department consistently ranked as one of the **top 50** police departments in the state of New Jersey in regards to Drunk Driving Enforcement.

### **Conducted Energy Devices (Taser)**

In early 2014, the Stratford Police Department received authorization from the State of New Jersey to carry Conducted Electronic Energy Devices. Utilizing money confiscated from narcotics seizures, the department purchased three devices. These devices are not carried to replace handguns; however, our supervisors and some patrol officers carry these devices so that we have a less than lethal force alternative. Each activation is recorded by a video camera, or body worn camera. In July of 2022, the Stratford Police Department added two additional CED devices to our officers array. Currently three quarters of our officers are trained and equipped with a less than lethal option. The administration of the Stratford Police Department hopes to purchase three additional Tasers in 2023 and beyond.

## Nalaxone Program (Narcan)

During the month of May 2014, the Stratford Police Department joined many other police departments in the country, when we trained and equipped our police officers with nasal mist dosages of Naloxone hydrochloride also known as Narcan. Sadly, the Chief of Police recognized the need for Stratford Officers to be carrying this anti-opiate antidote to save lives. In 2022, Naloxone was used on 12 occasions, and since the program's inception, officers utilized the antidote on 130 occasions, thus saving the lives of 89 different individuals (some were saved more than once) who had overdosed on illegal drugs. The Stratford Police Department recognizes that the Narcan Program is not a cure to the opiate epidemic, but rather simply an additional lifesaving tool, which furthers the department's core mission of protecting and preserving lives. Under a recent law change, Officers are now required to provide a "Narcan Dose to Go" for overdose / Narcan recipients who refuse transportation to a hospital after being saved by law enforcement or EMS.

## Automated External Defibrillator (AED)

In furtherance of our core function of preserving life, each Stratford Patrol Vehicle is outfitted with an AED. All officers are certified bi-annually on their use. Proudly your Stratford Police officers saved or preserved the live of 1 resident during 2022 and used the device on 2 other occasions.
