POLICE INFORMATION CREDIT CARD SKIMMING DEVICE RECOVERED

FAMILY DOLLAR

198 Warwick Road Stratford, NJ 08084

On Sunday July 6, 2025, the Stratford Police Department responded to the Family Dollar for a report of a found credit card skimming device attached to the registers credit card machine. The device was fashioned to fit over the store's actual credit card scanning device. Based upon current information, we believe the device may have been in place for 2 weeks. Any customer who recently utilized the credit card machine at this location should consider the card compromised and are urged to contact their bank or credit card issuer to seek a replacement card. EBT / SNAP Cards are often targets for scammers since most of these cards are unchipped. Benefit recipients should contact their issuing authority to receive a replacement card. Stratford residents, who are actual victims of fraud, may contact the Stratford Police Department at 856-783-8616 or utilize the online police reporting system at the following link:
